

Bathroom Design Agreement

Meeting I

We will visit your home for measurements and a consultation. Any magazine photos or photographs of items that are important to you should be presented at this time.

Meeting II

We will design your bathroom using the latest state of the art computer aided design 2020! When your design is complete we will invite you and yours to our design center to review your bath design. We will make any necessary adjustments and changes to your design. Then based on your design we will present you with a computerized estimate. Both the design and the estimate are yours to take home and review at your leisure.

Meeting III

After you're in home review and when you're ready we will make any needed adjustments to the design and or the budget. When this is complete we will present you with a written proposal for your new bathroom.

We work with many of the top name vendors and they will be more than happy to assist you with the selections of your appliances, flooring, etc. With this contract you also have the option for help with decisions on any products needed to be bought. We will help you pick out products, colors etc. for a charge of 10% of any merchandise purchased.

You have many decisions to make and we know how to make them go from painful to priceless.
