

Kitchen Design Agreement

Meeting I

We will visit your home for measurements and a consultation. Any magazine photos or photographs of items that are important to you should be presented at this time. You will be presented with a list of products that you will be asked to select. Example, Appliances, flooring counter tops material etc.

Meeting II

We will design your kitchen using the latest state of the art computer aided kitchen design 2020! When your design is complete we will invite you and yours to our design center to review your kitchen design. We will make any necessary adjustments and changes to your design. Then based on your design we will present you with a computerized estimate. Both the design and the estimate are yours to take home and review at your leisure.

Meeting III

After you're in home review and when you're ready we will make any needed adjustments to the design and or the budget. When this is complete we will present you with a written proposal for your new improved kitchen.

We work with many of the top name vendors and they will be more than happy to assist you with the selections of your appliances, flooring, etc.

You have many decisions to make and we know how to make them go from painful to priceless.

Double D Kitchens is your award winning kitchen remodeler.
